

A Butler County Criminal Justice Advisory Board Training

Presents

STOP THE BLEED

A training designed to prevent death from uncontrolled bleeding.

This training will teach people working with the public, working with vulnerable populations (schools, public venues, etc.), and non-medical bystanders how to stop bleeding when injury occurs.

This training is especially important for Law Enforcement Officers in teaching how to apply bleeding control techniques to injured civilians, themselves, and fellow officers. Law Enforcement Officers will have their own unique session of this class.
